Ki there!

Here it is at last!

We, the staff, bring you the 1946 Westerner with the spice of humor sprinkled throughout the pages of this "masterpiece"

In struggling with this "inhuman" bit of work we have tried to remind you of the more pleasant happenings in your days (daze) as a student of good ol' L. H. S.

Remember the class plays, the paid assemblies, track, basketball and football games, classroom jokes, traditions, picnics, parties - but above all, remember these with a smile on your faces.

So because we're so tired of looking at all these silly pictures, we give to you the humor edition of the 1946 Westerner.

Sincerely,

The Editor

P.S. Let us hope that you don't give the thing back to us!

Received  
Nov 1946

*Mr. W. C. Watts*

*He's president of the Classroom Teacher's Council and has been teaching in Lubbock High School for 15 years. Yes, you know him by his funny stories and corny jokes. For these reasons and many more we sincerely dedicate the 1946 WESTERNER to Mr. W. C. Watts, the friendly, helpful science instructor, and, last but not least, "fossil collector."*

## WESTERNER CALL TO LOYALTY

*Westerners, put on your chaps,  
Buckle on your spurs,  
Loosen up the reins of our old  
fighting Westerners.  
Sportsmanship, then victory, is the  
motto of our High.  
Come along, all ye brave old Westerners,  
We will do or die.  
We will gallop over all the sweeping  
prairie land.  
We will fight for black and gold,  
true Westerner brand.  
Lubbock High in golden letters,  
We will glorify,  
Come along, all ye brave old Westerners,  
We will do or die.*

## WESTERNER CHALLENGE

*Hail, hardy Westerners  
O'er all the plains your challenge hurl  
Through loss or victory  
With your banner high  
All the while, we go marching on  
We proudly sing our victory song.  
Fight, let the game start  
Fight, boys, with all your heart  
Fight, Westerners, fight!*

*The snow-covered enclosed*

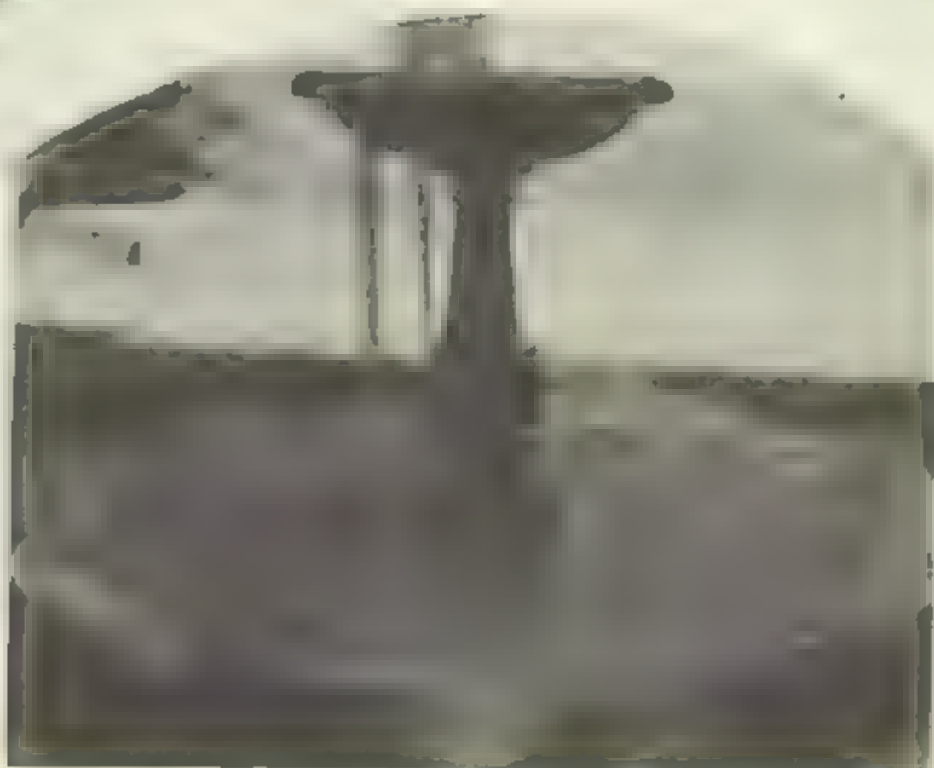

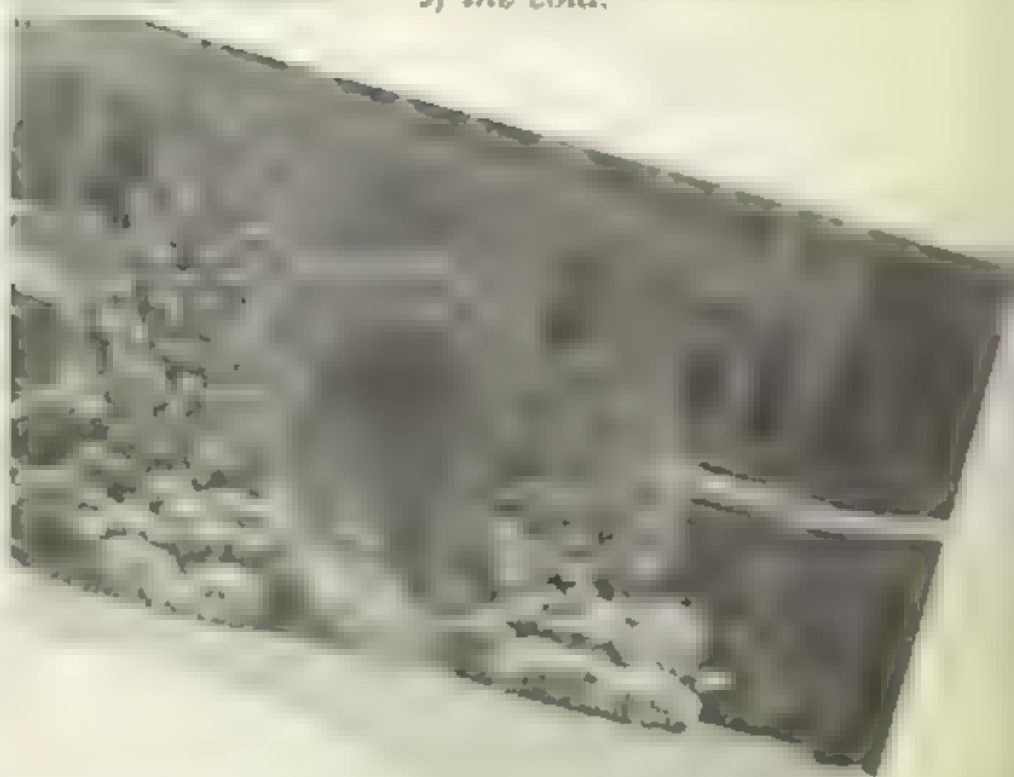

*patio as the pigeons in the tower see it*

*McCrummen Park and Duprer, both familiar sights to high school students, glamorized by a heavy snow.*

*For once, the open patio is deserted, perhaps because of the cold.*

*The last icicles on the fountain, all that remained of below-freezing weather, contrast with the sun on the enclosed patio.*

*A "picture" of L. H. S. framed with the trees in McCrummen Park.*

*The school building as seen from across the street.*

*Guys and gals waiting for the bell to ring at noon.*

*A view of ye olde Alma Mater taken as students exit from the building, leaving peace and quiet once again within the halls*

*Although Lubbock High is fifteen years old, it looks much younger. The students, because of their love of the building, have kept it clean and new-looking.*

*This building is one we can well be proud of when visitors exclaim over its beauty.*

*The All-Westerner boy and girl are elected by a secret ballot vote of the faculty. They are chosen because of their outstanding personalities, their ability to lead, honesty, loyalty, service, and their general all-round value to Lubbock High School.*

*Class favorites, too, are elected by secret voting by class members. The Senior class, because of their three years of interest in Lubbock High, are rewarded with the privilege of choosing a favorite boy and girl. The Junior and Sophomore classes choose one favorite each, a boy or a girl.*

*Students in the Who's Who section are honored on the basis of their accomplishments, dependability, scholarship, and general outstanding qualities. The teachers choose these students by a secret vote. Eight seniors, six juniors, and four sophomores are elected to this honor.*

*Each class elects a boy and a girl to represent them as their cheer leaders. The six chosen serve the entire school year, especially during the football and basketball seasons at pep rallies and games.*

#### ALL-WESTERNER GIRL

Because of her friendly attitude, ready smile, leadership, and scholastic ability, brown haired Mary Frances Payne has been a well-known personality during her three years in Lubbock High School. Being secretary of her sophomore and junior classes made "Aunt Fannie" well qualified to be secretary of the student body and president of the Girl Reserves during her senior year. "Stony's Steady," as this attractive girl is known to her many friends, is really an All-Westerner girl.

#### ALL-WESTERNER BOY

Always laughing, making jokes, and in general "cutting up" is dark haired, dark-eyed James Allen. Well deserving to be called "All-Westerner Boy," "Jimmy" has served as president of the senior class, basketball manager in his junior year, and football manager in his senior year. Being a National Thespian, program chairman for the Hi-Y, and a member of the National Honor Society for two years has certainly kept Jimmy "hopping." Hats off to a true Westerner!

#### SENIOR BOY FAVORITE

*Truly the athletic type, dark, handsome Noel Sikes is the 'apple of the eye' of the senior class being elected senior favorite this year and junior favorite last year. Having lettered two years in football, fans have dubbed him "Tumble Toes" because of his agility and speed. "Sikes" is also a charter member of the "L" Association. When you heard loud applause at the stadium last fall, you knew number 13 was on the gridiron.*

### SENIOR GIRL FAVORITE

*Cheerful as sunshine after a rain, pleasant to everyone, adorable Rosemary "Rosie" Daukins has through her high school years collected many friends. Serving as senior class secretary and vice-president of the Girl Reserves still leaves her with time to devote to her other interests, especially music, boogie and classics. With her sweet personality and her unattainable, Rosie has made a name for herself in Lubbock High School. Seniors agree that she "takes the cake" for Senior Girl Favorite.*

### **JUNIOR FAVORITE**

*Tiny blonde, Sue Evans has won the "okay" from the junior class as their favorite. With her charm and sweet disposition, students call her "China Doll" for obvious reasons! Easily identified by her lovely clothes and hair, this well-groomed girl is always around when there's a job to be done, and is admired by both boys and girls.*

#### **SOPHOMORE FAVORITE**

*Popular, gay spirited and playful as a kitten is sweet Charlotte Lantz, sophomore favorite. Quick to take the reins as leader or loosen them as follower, she is secretary of her class and is a member of the Girl Reserve and Thespians. This Florida girl bristles of energy has made many friends during her one year in high school with her engaging smile and ready humor.*

*Rex Zachary*

*Charlotte Scoggin*  
Head Cheerleader

*Delight Hardin*  
Junior Cheerleader

*Larry LaRoe*  
Sophomore Cheerleader

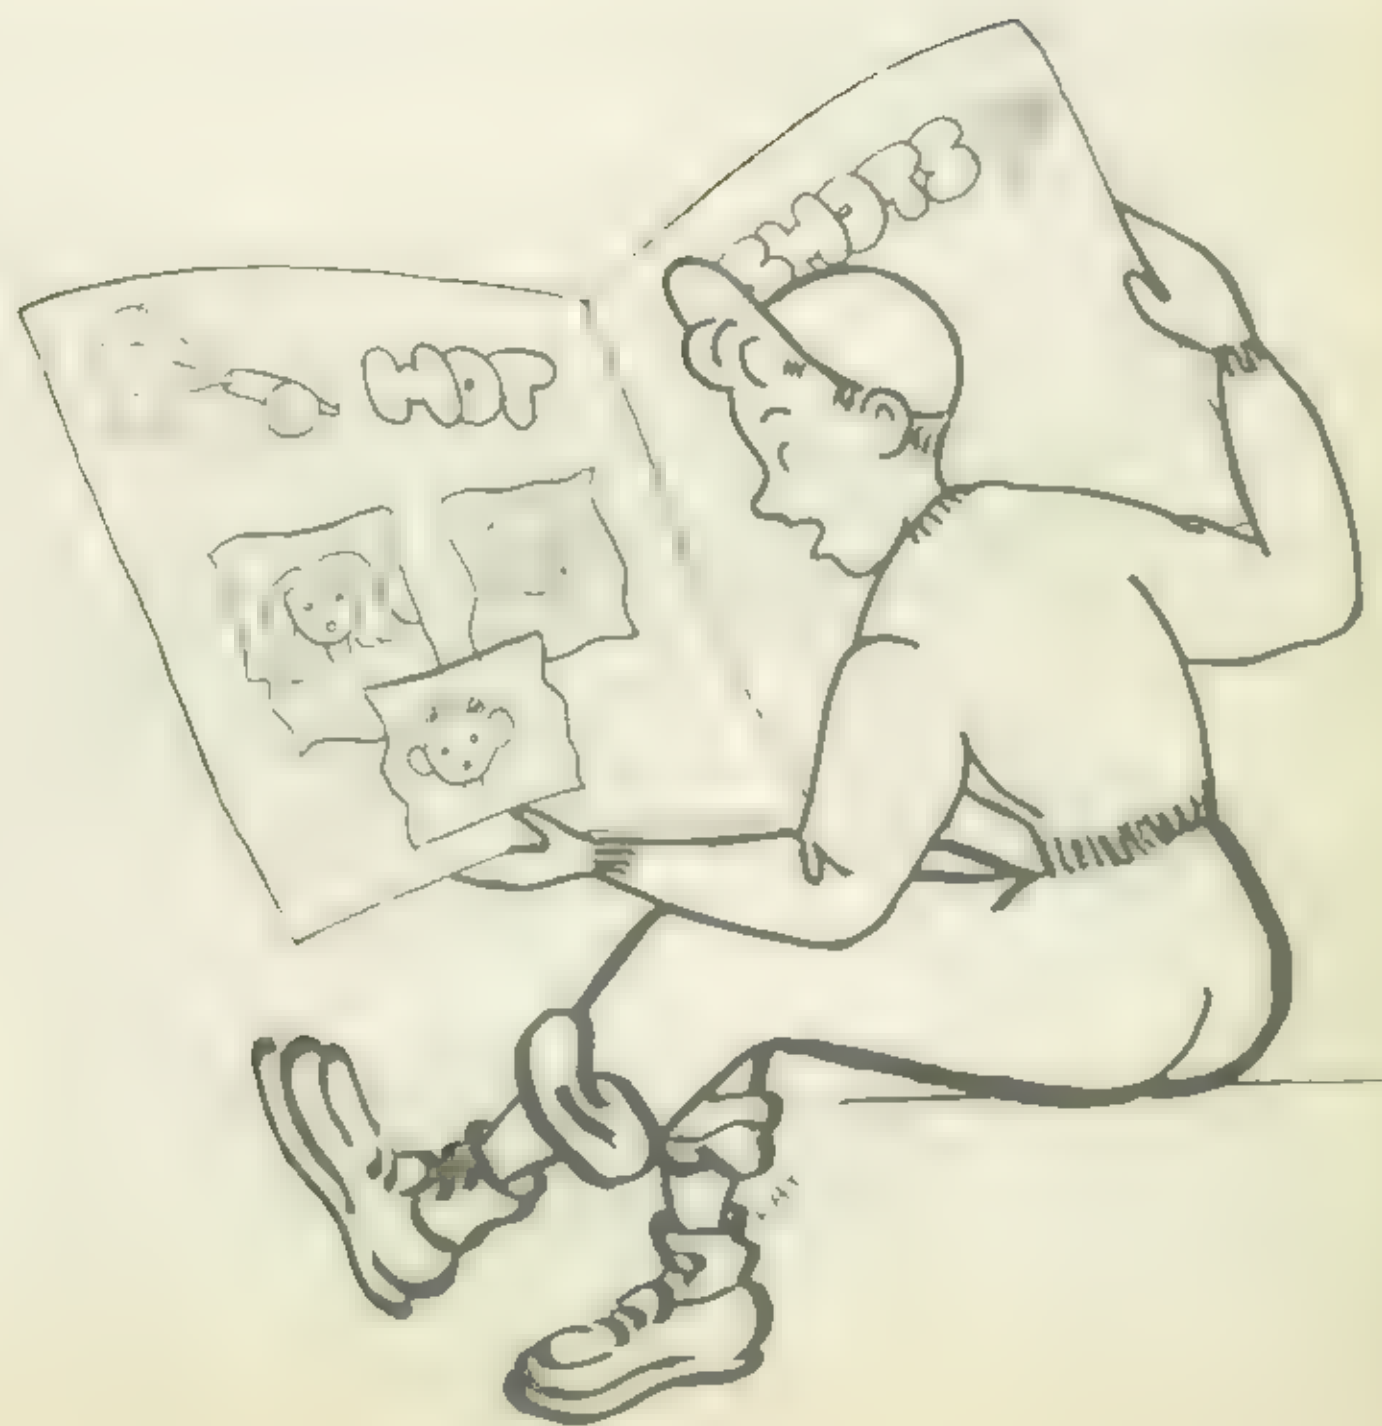

*Mickey Tarkenton*  
Senior Cheerleader

*Patricia Lindsey*  
Sophomore Cheerleader

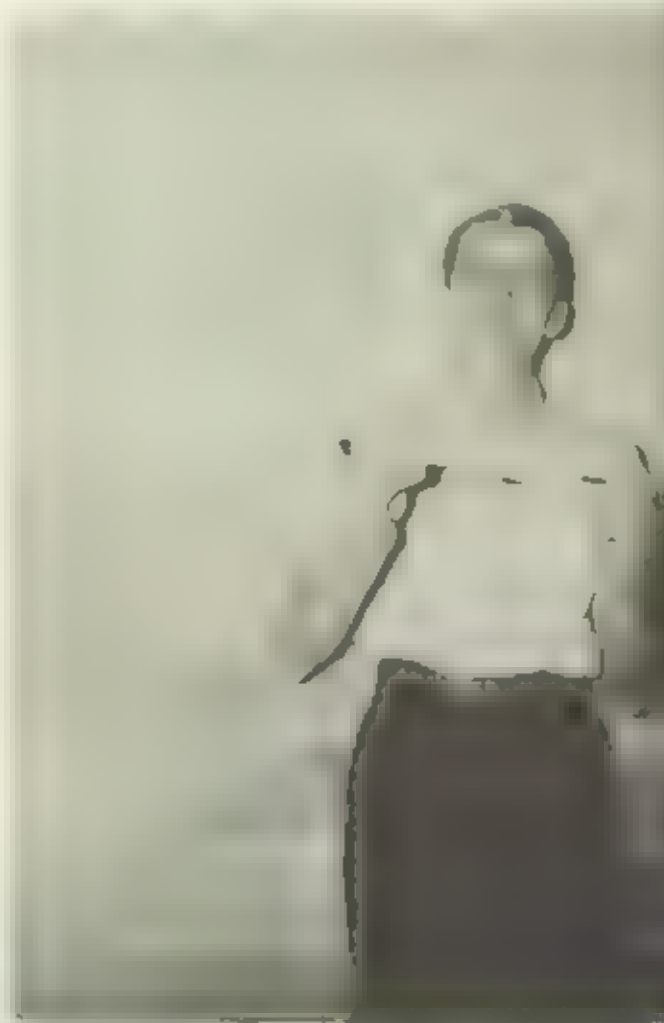

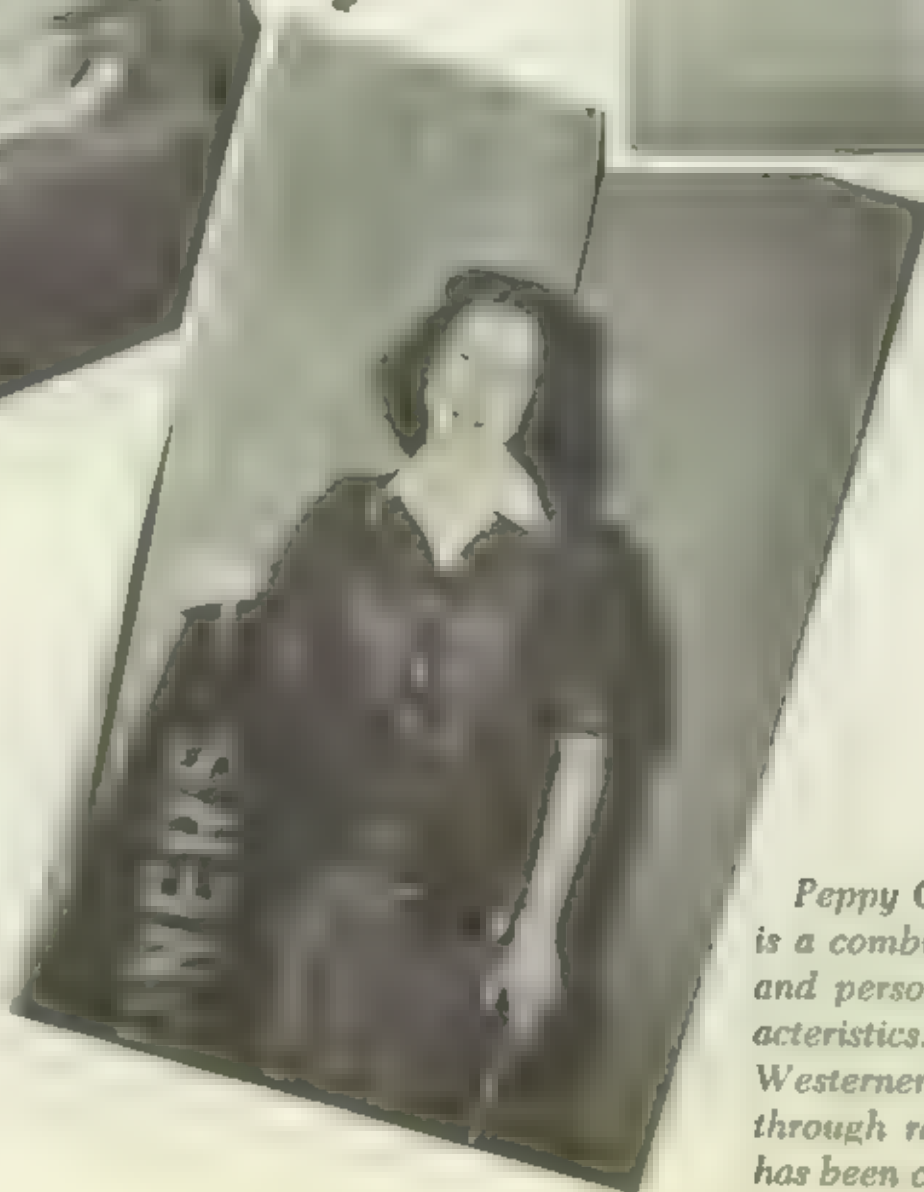

*Irish lingo rings from the stage as likable Billie Hutchings appears in scenes from the senior play. Known for these type roles she's also known for her excellent grades and efficiency as Westernaire manager.*

*Brains and personality combine in Ken Hancock, a Westerner known throughout Lubbock High for his excellent grades and steadfast dependability. Ken may be seen striding up and down the halls every day, going about his many duties.*

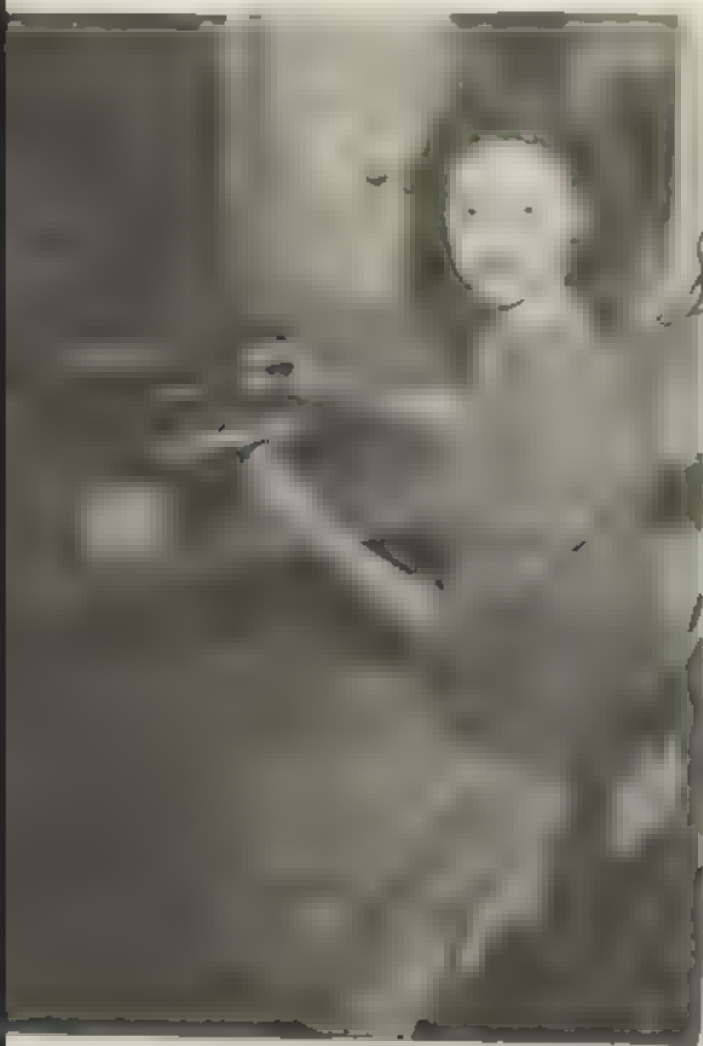

*Will he grow any taller? He hopes not, what with all the calories he uses, anyway. When well-liked George Morris appears, L. H. S. students know something is sure to be accomplished.*

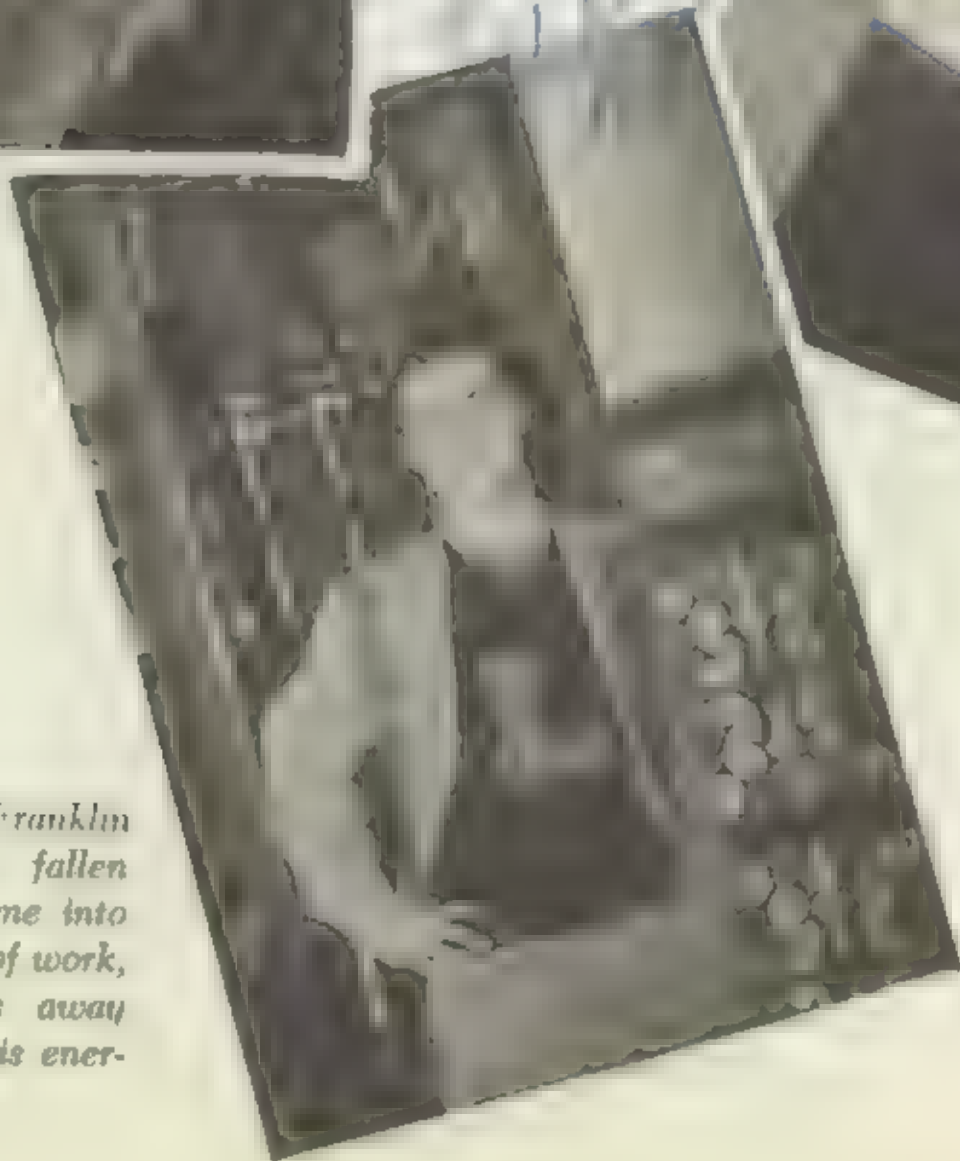

*Peppy Charlotte Scoggin is a combination of beauty and personality, rare characteristics. Cheering the Westerners on to victory through rain or shine, she has been cheerleader of her class for the last two years.*

Calm through storm and Chaucer, witty Oleta Stewart answers telephones, makes up actors, and commands pledges all at once! With a lift of her eyebrows, she can work wonders. What a girl!

A hush spreads over the auditorium as student-body president Ray Simmons walks on stage. The spontaneous applause that follows shows the feeling of admiration the student body has for "that witty, always-joking 'Simmons'."

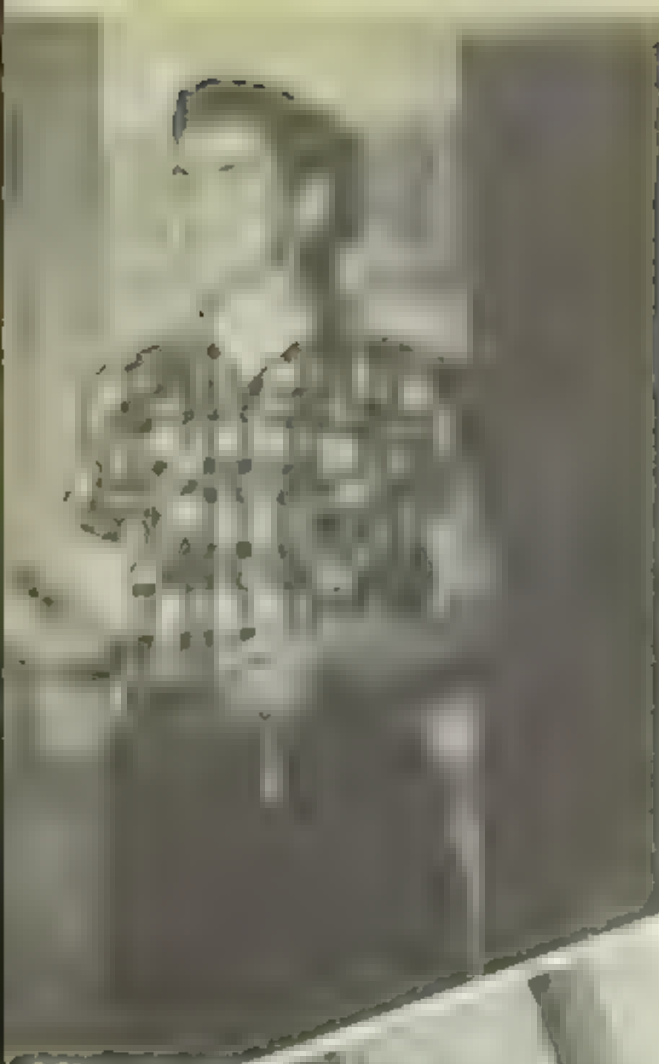

*Sincerely,  
Oleta Stewart  
Student Body President*

Oh oh! Harold Franklin "Stony" Wall has fallen over again, this time into the midst of a pile of work, which soon melts away from the heat of his energetic mind.

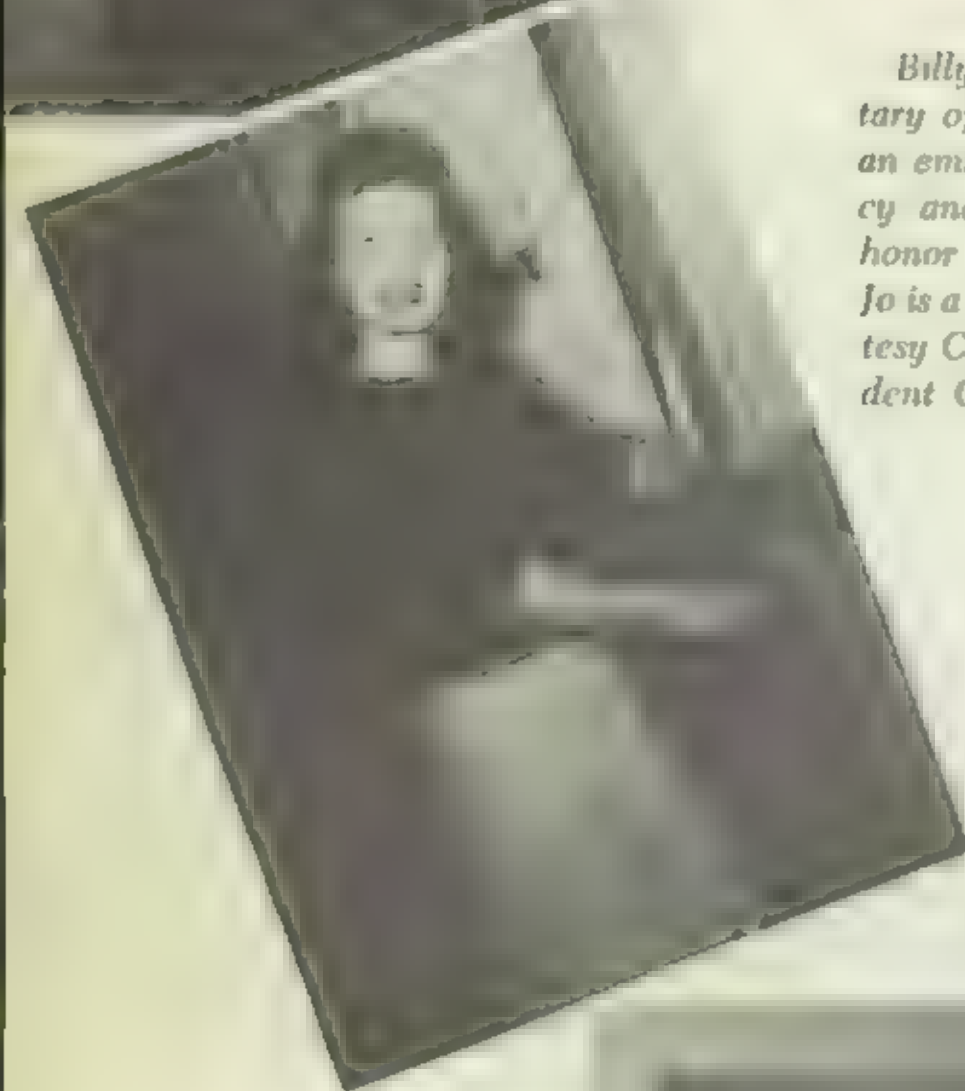

Work! At this word vivacious, popular Gloria Novak's ears prick up, and from then on things fly in the pub office as the 1946 WESTERNER editor sees that things are properly done.

Red hair and all the vitality that goes with it! That describes Bo English, a short, cute sophomore. During his short time in L. H. S. Bo has made many friends, who like him for his ever-present smile.

Bill Carter, with his friendly grin and happy-go-lucky manner, has won the friendship and respect of students and teachers alike. Whether on the gridiron or in his classes, Billye Jo's "Taffy" is a valuable asset to Westernerdom.

Billye Jo Stephens, secretary of her junior class, is an embodiment of efficiency and co-operation. An honor roll student, Billye Jo is a member of the Courtesy Committee of the Student Council.

Meradith Smith, or "Toodles," as her friends know her, is famous for the effective manner in which she gets things done. Her energetic efficiency and gay smile always make her welcome when things need attending to.

Dependable as the 8:53 o'clock bell, Jack Alderson—the guy with the engaging smile—is called upon to do all sorts of things. Maybe it's his burr haircut that makes him so popular.

With her musical ability and disarming smile, modest Chloe T. Dawson, known throughout L. H. S. as one of the most active sophomore members of the Student Council, can always be counted on to carry through her promises.

White teeth flash in a quick, charming grin as Jim Johnson undertakes to see that some class member does his job. The victim hasn't a chance against that pleading expression.

Brown-haired, grey-eyed, husky-voiced Rita McCauley is always speaking to people. Her friendly manner and genuine interest in all school activities make her a familiar personality around L. H. S.

Quite an extraordinary boy is Charles Wright. Making and holding his multitude of friends is no push-over, as he will testify. He manages to do that and then some without any trouble though.

Sparkling smile, quietness of manner, and a magnetic personality make Betty Lou Cone, or "Boo," a favorite with teachers and students alike. Tall, dark, and athletic, "Boo" enjoys sports and plans modeling for a career.

## How We're Organized

*The administration which governs Lubbock Senior High School is made up of the Board of Education, the Faculty, and the Student Council.*

*The Board consists of eight members, including Dr. J. T. Hutchinson, president, and Mr. A. C. Jackson, business manager. Members are chosen by city election. Every two years, three members are run for election or re-election.*

*There are 57 faculty members in Lubbock High, headed by Mr. R. W. Matthews, superintendent, and Mr. Floyd Honey, principal. These teachers instruct students in some 61 offered courses.*

*The Student Council was set up as a means of offering the student body a way of participating in their own school government. It is composed of a president, vice president, and secretary plus the officers elected by each of the three classes.*

*The school board is the policy-forming organization of the school system. The superintendent strives at all times to carry out the school board's policies. He works through the faculty to accomplish his purposes. While the student council is primarily to offer the student an opportunity of participating in the functions of the school, it also aids the superintendent and faculty in carrying out the policies of the school board.*

*In the following pages the staff has tried to bring you a record of your governing bodies this year.*

This year, his twenty-third in the Lubbock Public School system, is his second year as superintendent.

Mr. Matthews holds a bachelor of arts degree from Southern Methodist University and a master of arts degree from Texas Technological College.

## Who's Who

Friendly Mr. H. J. McCabe is known all over Western Lubbock as a person who is always ready and willing to help students. He is greeted by everyone as he goes about his business in the halls.

Miss Neville Wrenn adds the spice of her good humor and understanding of human nature to the usual classroom routine. Competent, yet pleasant, she helps students to realize the value of chemistry.

Although he is a comparatively new member of Lubbock High's teaching staff, Coach Marlin R. Hayhurst already stands high in the respect of students and teachers alike. Fondly known as "Shorty," he is an excellent example of a true Westerner.

Although she came here only last year, Miss Irene Armes has already become well known to students and teachers around L. H. S. This smiling and friendly teacher can always be seen in her enjoyable English classes.

Tall, friendly, bashful Mr. E. E. Key is well known around L. H. S. for his wood-working ability. Few men in Lubbock are able to design and make furniture for their own home as Mr. Key has done.

Tiny and energetic Mrs. Ruth Studhalter teaches "Dynamic Biology" in a dynamic manner and takes great pride in her aquarium. The combination of her friendliness, quiet manner and knowledge makes her a familiar person around L. H. S.

## For Lunchtime Leisure

*Lubbock High has more nearly reached its goal of having every student belong to at least one club this year than any year in the past. It has been estimated that almost nine tenths of all Lubbock High's population belong to at least one club. Fifty percent belong to more than one, with some students belonging to as many as five or six. There are twenty organizations in school this year; one international, seven national, and thirteen unaffiliated.*

*The Quill and Scroll, for students doing exceptional work on THE WESTERNER and WESTERNER WORLD, and in the upper third of their class scholastically, is an international organization for high school journalists.*

*The Girl Reserves, Hi Y, Thespians, National Honor Society, T N.T. Chemistry Club, Future Farmers of America, and the Mary Emma Club, affiliated with the Future Homemakers of America.*

*Also available to all loyal Westerners are Gens Togata, El Club Panamericano, Radio, Astronomy, C. C. Cox, Tennis, Science, Art, Shop, Melvil Dewey, "L" Association, and Distributive Education.*

*Club activities are conducive to cooperation and understanding between students and teachers.*

*Lubbock High school organizations, which meet at noon, have enjoyed a successful year with steadily growing memberships.*

## Business On The Side

*In the following pages the annual staff has endeavored to portray as faithfully as possible the grand work done by various activities. These extra-curricular activities have played a major part in furthering closer relations between students and teachers.*

*The band, orchestra, and A Cappella choir are musical organizations which, besides giving music lovers a chance to put their talents to good use, offer credits toward graduation. These performing groups entertain the student body in assemblies, and give programs for civic organizations and other groups of Lubbock citizens. The senior girls' ensemble, which does not carry credit toward graduation, also appears on programs at intervals.*

*For practical experience, the distributive education class is held for students who wish to attend school in the mornings and work in the afternoons. The shop course, too, can be put to practical use.*

*Offering experience in the writing and presentation of radio programs, the Westernaire program is given entirely by Lubbock High students. The program, which is presented every Thursday afternoon at 3.45 over K F Y O, emanates from the auditorium.*

*The junior and senior classes annually present class plays for which all budding dramatists are urged to try out. The characters are not graded for their performances, but do receive credit for their work.*

*The principles of journalism are learned and applied by the staffs of the WESTERNER and WESTERNER WORLD, who although they receive no graduation credit for their work, do it for the love of doing it as well as for the journalism they learn in the process.*

*The following activities give every Westerner a chance for a well-rounded schedule.*

Mr. Lewis Stoelzing, the new director, has had a full-time job in improving the band in its techniques and methods. Band students receive the same credit as for an extra-curricular activity. In their colorful black and gold uniforms, the band is an organization of musically interested and talented students.

## The Westerner

*In this, the first post war annual Lubbock High is presenting a larger yearbook than in the ten previous editions. Last year the yearbook won First class Honor Rating in the National Scholastic Press Association. Like the paper the Westerner is self supporting. Through advertising and subscriptions, the Westerner pays for itself each year. The students participate in the editing of the yearbook without credit toward graduation.*

## Westerner World

Managed and edited entirely by students under the supervision of Mrs. Dick Cozby, faculty adviser, the WESTERNER WORLD offers an opportunity for valuable experience in the field of journalism and advertising. The business staff makes the paper self-supporting by the sale of weekly advertising and by subscriptions, which are one dollar per year. The circulation staff has the tremendous job of distributing papers to the student body, mailing out of town subscriptions, and exchanging papers with other schools. Although the WESTERNER WORLD is printed by a commercial printer, copyreading, headline writing, and picture taking are taken care of by responsible publications students. The atmosphere of the publications office is that of a busy city press office.

## Senior Play

1. Everyone rushes around to get Old Doc ready to go to Boston for his son's graduation, but he has to give up the trip because of a call which comes at the last minute.

2. Everyone seems to bring his troubles to "Old Doc." Pictured above, left to right, are Ramona Douglas as Lois, who is trying to keep the doctor from working; Eleanore Hammond, who portrays Mary, the girl whose mother has a heart attack every time Mary mentions getting married; Billie Hutchings, the Irish patron of Old Doc, comforts Mary; Wanda Smith, an Italian woman, waits patiently for Old Doc to see her baby, Tony.

3. Mrs. Mellon, played by Jo Ann Kuykendall, comes to Doc with her tales of bad health. Old Doc, played by Robert Griffin, gives her a good talking to, which is really all the cure she needs. Meanwhile, Janet, Beth Ann Ryan and Dick Burns, played by James Maupin, flirt in the background.

4. Dr. Brand, Robert Watkins, seems quite pleased after he and his daughter, Helen Brand, played by Dana Lou Harrison, succeed in convincing Bob Hillary that he should practice in Boston. Being opposed to this, Margaret Burns breaks her engagement to Bob. At the end, however, Bob takes over Old Doc's practice, and he and Margaret are married.

5. Ma Brown, played by Jewell Alice Pharr, reads her Bible, while Pa Brown, Ray Simmons, stares at Bob Hillary and Margaret Burns as they leave on a call after Margaret has accepted Bob's proposal.

"Always in a hurry" and "only to get things done" are statements that describe Mr. J. "Pinkie" Laureen, director of Lubbock High School athletics. With his outstanding personality and friendliness Mr. Laureen has proved through his games with Lubbock High that "Sportsmanship then Victory" is our motto and he has proved himself still further by being one of the best examples of a "Westerner" that Lubbock High has ever had.

Heading the distributor education classes, sponsoring the sales of football programs, and serving as bookkeeper to the school this year is jovial enthusiastic Mr. Oliver R. Bantz. Mr. Bantz is well known for his permanent smile and his definitely outstanding personality.

In being head football coach of the Westerners this year, Coach Dixie White has exemplified to every Westerner boy or girl what a real coach is. Through Coach White's willingness and ability he developed not only a football team but an organization of All-Westerner boys and girls fighting with him for that team to win!

Always smiling, ready, and willing to help boys on the Westerner football team and in physical education classes are the factors that can't be forgotten about Coach George Philbrick. As assistant Westerner football coach and physical education instructor for Lubbock High, Coach Philbrick has established himself in our school.

Here is a little man that is only known for being a basketball coach of Westerners this year but as an all round fellow. Ladbuck High School boy or girl Coach "Shorty" Hayhurst

Always smiling, attractive Mrs. John W. Wilson girls physical education instructor, has won friendship in the hearts of her girls during the four years that she has been teaching. Mrs. Wilson has an outstanding personality and friendliness

Now having returned from the armed forces to Ladbuck High School Coach J. C. "Cooler" Keyes, next year's Westerner football coach has renewed his well known Westerner spirit during the short time he has been back.

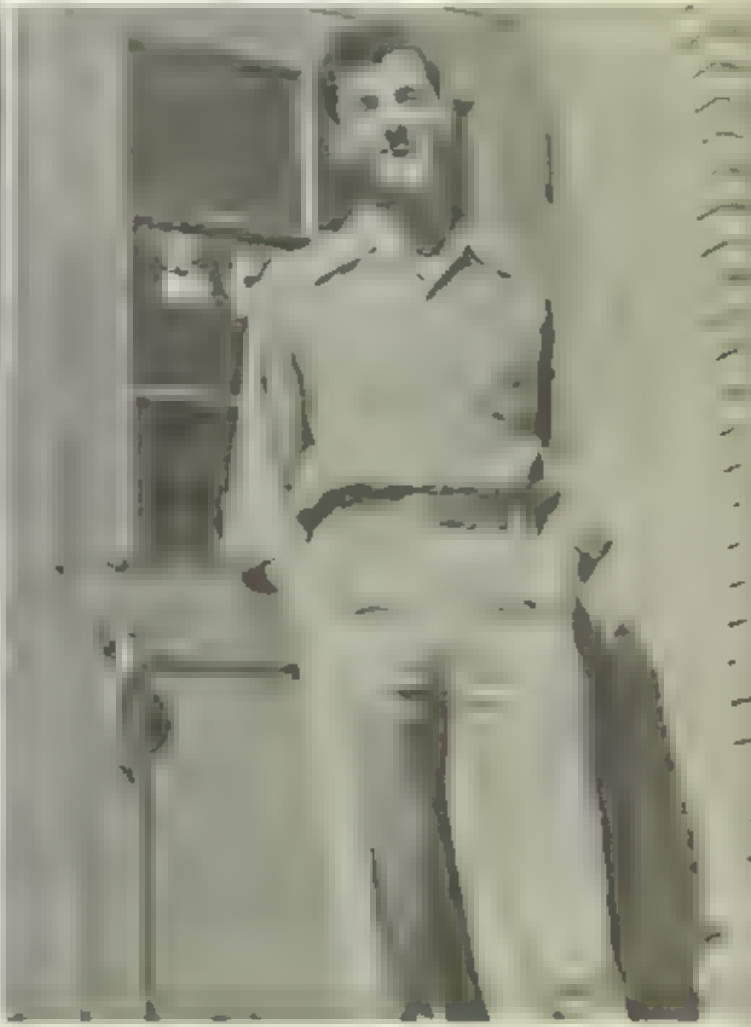

Sponsoring the Tennis Club and instructing girls physical education for her first year in Ladbuck High is Mrs. Julia Cane, who has really made a hit with her students

Managing the Westerner football team this year, always willing and ready to do anything he can with an "on the ball" attitude in helping the team win is none other than Jimmy Allen, president of the Senior Class.

It seems almost impossible that the energy, spirit, enthusiasm and ability of Buddy Muner 1946 basketball manager, could be crapped into such a small package but it's true. Buddy's really got what it takes

"Looking down from above" this year on the Westerner football team was George Sherry Morris as manager for 1945-46. Fair saying George has really done his part to help our team do its stuff

*To the tune of "Let Me Call You Sweetheart," Nancy Rodgers, 1945 football sweetheart, dressed in white, as were her assistants, Lois Barnett and Charlotte Scoggin, stepped from a sparkling silver star overshadowed by hanging silver and blue stars, to be presented with an identification bracelet by Charles Presley, Westerner captain.*

*George Brewer, unanimously elected All-district Back, President of "L" Association, and Vice-President of Senior Class, is well known and well liked by every member of the student body.*

Odessa's mighty Bronchos were hosts to the Lubbock Westerners in the opener for both teams as the football season of '45 got underway. The Bronchos, led by big J. W. Thompson, were selected as one of the five top teams in the state in pre-season dope, and proved it by walloping the Westerners, 26 to 7.

Bouncing back, the Westerners went to San Angelo and tied a favored Bobcat eleven, 13 to 13. Lubbock was by far the best team on the field, but the breaks were against them.

An unidentified Lubbock back is swarmed by three Amarillo Sandies at the line of scrimmage.

Playing at home for the first time, Lubbock next took on the Big Spring Steers, and stomped them 27 to 0. This game was played in sub-freezing weather, and drizzling rain, but Lubbock's ground attack was better than the week before.

The next foe of the Westerners was Lamesa. After a slow start the Westerners finally got to rolling and scored a 25 to 6 victory.

Then Lubbock journeyed to Borger to open the conference race. With two easy wins under their belts, the Westerners were a little too confident and got their ears pinned back in an upset, 21 to 19.

Again the next week Lubbock was second-best as the Lamesa Eagles edged the Westerners in a 12 to 6 thriller. Fans will remember this game by George Brewer's 95-yard dash for the home team's one tally.

And then came Plainview. Lubbock lost, 18 to 7, but to many of those in the stands, Lubbock was not beaten. Plainview was undefeated, untied, and unscored on before that night. The Westerners, behind a brilliant line, pushed the Bulldogs all over the field, piling up more yardage, more first downs and penetrations.

The Black and Gold then engaged Brownfield's Cubs at Tech Stadium and knocked them over, 20 to 0.

Brewer is surrounded by Amarillo Sandies on the kick-off.

Fans will remember the next game with the Pampa Harvesters. Pampa came to Lubbock for an easy victory to add to their undefeated, untied record. Led by the great defensive work of Charles Presley, captain, and the great running of George Brewer, the Westerners sent them home with a 0 to 0 tie, although Pampa won on penetrations.

The Westerners closed the season at Amarillo in the "Turkey Tilt." The Sandstorm had too much through the air, and Lubbock was again knocked off, 33 to 6. Amarillo scored twice through the air and passed to the one-yard line twice in the second quarter.

The Westerner basketball quintet got off to a slow start as the '45-'46 season got under way, dropping the first three games before they broke into the win column.

The highlights of non-conference play were the two games with Amarillo. The Sandies nosed by Lubbock 35 to 31 in the first encounter at Amarillo, but the Westerners bounced back the next week and smothered the Sandstorm 45 to 27. Lubbock was throwing 'em out of their lap pockets and Jack Alderson looped in 16 counters.

Then came district play. The black and gold stormed over the Plainview Bulldogs, 35 to 22, to take the south half lead. But the next week the Bulldogs were hot and dropped the Westerners 30 to 17.

Brownfield was the next victim for Coach Marlin Hayhurst's fire, and the Westerners again took the south half lead, 43 to 23.

Lubbock's next three games were non-conference tilts, two with our traditional enemies, Amarillo. The black and gold split with the Sandstorm. Then they journeyed to Levelland again, but were unable to duplicate their performance of the preceding Friday against Amarillo, and lost a near win, 31 to 29.

Conference play was again resumed. Plainview was host to the Westerners, and the mix of the Bulldog home again showed up, sending Plainview to the south half lead. The following Friday the Westerners were not to be denied and took the final game of this series, 31 to 19.

The Westerners then dropped Brownfield twice, 51 to 35, and 41 to 21, to throw the south half race into a tie with Plainview.

The play-off between Lubbock and the Bulldogs were games long to be remembered. In both games the Westerners jumped off to a quick lead, but the Bulldogs lived up to their name and kept fighting back. In the first game, the Bulldogs took the lead in the closing seconds on Doyle Malone's long shot, 29 to 28. With only 10 seconds to play, Don Finley dropped a long one in for a Lubbock victory.

The second game was another hair-raiser. The Westerners took a quick lead, but Plainview cut it down until with only 30 seconds to go, Stony Wall sank a free shot for the South half title.

But Lubbock hit a slump and dropped two in a row to the Amarillo Sandies, north half finalists, 31 to 26, and 26 to 20. The Sandies later defeated Graham in bi-district play to advance to the state tournament.

3. Grover is frozen by the camera's eye as he follows through with a forehand drive.

4. Rayburn Metcalfe, often seen on the tennis courts across from Dupre grade school, is really running to hit that ball. Someone must have returned a "cut" ball to him.

## Just Practicing

1. Most of these boys, sophomores and juniors, should represent L. H. S. well in the next year or two. Coach George Philbrick watches as the boys take sprints to get in shape.
